4.	MATTERS ARISING: The PC were happy for the Clerk to sign the letter for D Woods acknowledging receipt of her documentation regarding Seniorlink. The PC asked the Clerk to enquire about the cost of having a Seniorlink machine in reserve or how quickly one can be ordered.	Clerk Clerk
5.	VILLAGE HALL: The PC noted the latest figures from the VH. Cllr Bates said they have increased the charges and things are moving in the right direction.	
6.	COUNTY COUNCIL AFFAIRS: Cllr Roberts said the road outside the school has been resurfaced properly and looks good – thank you to Cllr Stone for his efforts in achieving this. Councillor Stone gave the following report: “Roads <i>The situation on maintaining our roads is dire. The sainted Mike Cooper’s budget is already under enormous pressure and we are only two months into the financial year.</i> <i>“First”, which is a weekly magazine published by the Local Government Association ran an article in a recent issue which congratulated councils in fixing a record number of potholes – in some cases 10 times the “normal number.” The article was saved by the statement that “After years of underfunding, there are more roads now that need resurfacing than councils’ road maintenance budgets can cope with.” It goes on to say, “We need to make sure councils can carry out proper maintenance and not store up problems for the future and that will involve thinking differently about the way we fund road infrastructure.”</i> <i>In this period of impending budget cuts there should be a prize available for anyone who can propose what this “different thinking” will involve.</i>	

	<p>Finance Which brings us on to money. The council has to have its annual accounts approved by the end of June. The year ended on 31st March. The first draft should be available tomorrow and will be studied with care. There have been fairly sharp gyrations during the year in respect of Community and Adult Services, partly brought about by adjusting to a budget shared with the Primary Care Trust. No surprises are expected as taxpayers money is usually very well looked after.</p> <p>Cereals The Cereals display at Chrishall Grange has caused unwelcome congestion, particularly at the morning and evening rush hours. The congestion was most apparent on the A505 and a number of smaller feeder roads, especially Hunts Road, Duxford. That was despite a great deal of effort put into planning offsite parking and transport to and from the site.</p> <p>There is to be a post event de-brief to find out what went wrong. Meanwhile next year's Cereals exhibition is to take place in Lincolnshire.</p> <p>Another Survey The County is conducting a survey of 5,500 people to establish how they view our roads compared with roads managed by other authorities across the country. Apparently there was a similar done last year and I have asked for the findings.</p> <p>Fowlmere Road I have reported the dreadful state of the corner to County Highways. We now have to see how long they will take to do anything about it."</p> <p>Cllr Roberts reported that Mrs Phyllis Aldous, 8 Pipers Close has complained about a hole in the footpath near her house which caused her to fall. She has attended the doctors but nothing is broken. Cllr Roberts enquired about the procedure for noting the incident and seeing that the footpath is repaired? Cllr Stone offered to attend and apologise personally on behalf of the Council and ensure the footpath is repaired.</p> <p>Regarding the sign at the High Street end of Rectory Lane. It was agreed to purchase a sign saying 'Unsuitable for Heavy Goods Vehicles". The cost is £70 for the sign and £200 for the posts if nothing available to fix it to. Cllr Eades offered to make contact with David Lines at SCDC re ordering, going ahead with the smallest option.</p>	<p>Cllr Stone</p> <p>Cllr Eades</p>
7.	<p>PLANNING COMMITTEE: a) MINUTES FROM 18TH MAY 2010</p> <p>MINUTES OF A MEETING OF FOWLMERE PARISH COUNCIL PLANNING COMMITTEE HELD IN THE SCHOOL ROOM, URC, CHAPEL LANE, ON 18TH MAY 2010 AT 7:15PM</p> <p>PRESENT: Cllr D Roberts (Chair), Cllr M Bates, Cllr A Eades, Cllr P Flynn, Cllr, E O'Regan and Mrs J Wright (Clerk)</p>
